SUB: INFORMATION REGARDING HERITAGE BUILDING

Respected Sir/Mam

1. My name is Tina Goel and I am looking for an office space in competent house which is situated at F-14, middle circle Block F, Connaught place New Delhi 110001. The Maruti showroom is operational in the Ground Floor.
2. I would like to know the definition of "HERITAGE BUILDING" according to the by-laws which has been decided/written down by your department
3. New Building which has been constructed from basement to top floor after the year 1980 using RCC framework and modern design does it fall under the category of "HERITAGE BUILDING" and is it permissible to carry out any kind of alteration in the building ?
4. Kindly give us the reply as soon as possible I will be highly obliged.

Thanking you,

Tina
