संदर्भ :

महोदय ,

उक्त प्रस्ताव पर आयोग की दिनांक **17/07/2020 02:30 PM** को आयोजित बैठक में विचार किया गया था ।
आयोग की प्रेक्षाएं तथा निर्णय इस प्रकार हैं ।

Decisions:

Approved, observations given.

Remarks:

Accordingly the proposal is approved, if the same is otherwise as per provisions of the Delhi Master Plan, Zonal Plan, building bye-laws, fire-fighting regulations and any other instructions of the Govt. of India. Also if the same is otherwise as per height prescribed by civil aviation and any other controls imposed at sector level by DDA etc. Further, compliance of 'Bureau of Indian Standards' norms against earthquake hazards, provisions of availability of municipal services as per Govt. Notification no. K-12016/5/79-DDIA/VA/IB(Pt.) dated June 7, 2000 and provisions for rain water harvesting should be ensured by the concerned local body before releasing the approval.

Observations:

- 1.The proposal was forwarded by the **DDA (online)** for consideration of the Commission.
- 2.Earlier, the Commission approved the revised layout and the building plans of the proposal at its meeting held on July 06, 2011, and the NOC for completion plans was accepted on December 18, 2014.
- 3.The Commission did not approve the addition/alteration (addition of a new Building Block-H) at its meeting held on June 04, 2020; specific observations were given.
- 4.Now, the revised formal proposal for addition/alteration (addition of a new Building Block-H) received (online) with the incorporation of observations of the Commission was scrutinized. After a detailed discussion with the architect/project proponent through Skype, the following observations were given:
 - a.The tabletop provided on the NW edge is designed to be a 2-way movement path for vehicles. The Commission observes that this would be an unsafe conflict point in the site.
 - b.Continuous pedestrian movement, especially for school children, from entry/exit, through the whole

complex with its linkages, shall be ensured.

c. The local body (DDA) shall ensure that all provisions of Unified Building Bye-laws – 2016 for Delhi shall be adhered to.

d. All service equipment at the terrace should be camouflaged appropriately (in terms of the point nos. 10, 11 & 12 of the CPAA (Criterion for Project Assessment and Approval) available on DUAC website at www.duac.org).
